6. News Items

Education Funding

With cuts to Education and changing enrollment, school closures will be inevitable. School Council will stay informed to help support any community involvement, if here are local changes.

Parent Council is advised of the upcoming meeting in Lindsay on April 28th, 2007. The focus this year will be Technology and the Internet. Annie Kidder will be the guest speaker. Dorian attended this conference last year and highly recommends it.

Trillium Lakes Board Update

Kathryn Verdun has re-issued the Education leaflet that summarizes TLDSB's focus.

Provincial Parent Board

20 Parents from across Ontario are to be chosen to create a new Provincial Parent Board. It was suggested that Haliburton representation would be beneficial to represent rural families.

Teaching Excellence

Ontario awards excellence in teaching. Council reiterated the large number of deserving teachers at HHSS. As the deadline is tight – action would have to be quick. It was recommended that each year in Sept School Council start the application process.

Arts Camp

Dorian mentioned the wonderful Arts Camp that takes place each June in Haliburton. While it is difficult to miss school for a week, several students do take advantage of this wonderful opportunity.

Cyber-Bullying

Our special guest speaker for the March meeting will be addressing this very topical subject.

We would like to get as many parents out as possible.

Sharon Luke will create a flyer.

Jan McMaster is to notify the Public Schools.

7. New Business
