

## **SURVEILANCE**

Cameras have been installed at Haliburton Highlands Secondary School in high traffic hallways, cafeteria and outside the building. Installation is in accordance with all privacy laws and guidelines.

Cameras in high traffic areas are shown to increase security, safety and reduce vandalism. H.H.S.S. is the third school In Trillium Lakelands District School Board to have cameras in their school.

The administration and staff at Hal High knows that our school is one of the best secondary schools in Ontario. It is built on trust, respect and a caring attitude for all staff and students. The Red Hawk family believes this is a positive step forward.
